

Dear Parents,

Greetings from Excel International School!

Although WOW has just concluded, students can look forward to a variety of exciting events and programs designed to enhance their EIS campus experience.

The school has arranged dynamic activities and events to ensure the utmost educational program and comprehensive development opportunities for our students this academic year.

- **Parent Orientation and Curriculum Evening**

Please mark your calendars for the Parent Orientation and Curriculum Evening on **Friday, September 8th, 2023** at the EIS campus. This event will offer valuable insights into the curriculum and how it is structured to meet end-of-year expectations.

Timings	Session Name	Venue
5:15 PM to 6:30 PM	PARENT ORIENTATION	KG 1 to Grades 6 Parents <i>at the respective classes</i>
		Grades 7 and 8 Parents <i>in the School Library</i>
6:30 PM to 6:55 PM	PRAYER BREAK	
7:00 PM to 9:00 PM	CURRICULUM EVENING	KG – Grade 8 <i>at the respective classes</i>

To confirm your attendance, kindly register by clicking on this link <https://forms.gle/eyfrFzAw8Uk86ZfR7> before Tuesday, 5th September 2023.

- **MS Teams Credentials**

Your child's class/subject teachers have already shared the login credentials for their MS Teams accounts. For KG to Grade 4 students, the username and password have been pasted in their English notebooks, whereas for Grades 5 to 8, it's been pasted on their subject notebooks.

- **Best Out of Waste Competition**

We are excited to announce the upcoming **Best Out of Waste Competition** for students to showcase their creativity and innovation by transforming waste materials into exceptional artistry. Participants will be encouraged to use reusable and recyclable materials like newspapers, shoe boxes, plastic bottles, etc. to create their masterpieces.

The competition will be held on **7th September 2023 (Thursday)**. The submissions will be judged based on criteria such as presentation, use of material, innovation, and overall effect. Our objective is to instil in the hearts and minds of our students the noble act of caring for the environment.

- **Building Blocks and Clay Modelling Competition**

On Thursday, September 7th, 2023, KG1 and KG2 classes will have the opportunity to participate in an exciting intra-class competition featuring building blocks and clay modelling. This competition presents the

perfect platform for young minds and petite fingers to bring their artistic visions to life by crafting models of insects such as butterflies, bees, bugs, and snails.

Engaging in clay modelling activities is an excellent way for children to nurture their creativity, boost their imagination, and develop self-confidence. It also promotes the development of eye-hand coordination, planning and constructing skills, deconstructing techniques, and colour recognition. Additionally, it encourages playful learning, trial and error, and a sense of exploration.

The Discovery/Enquiry Trail for Term 1 – Week 2 is attached to this email.

We thank you for your cooperation and continued support.

Kind regards,

Excel International School
