

Dear Parents,

Greetings of peace and harmony!

As intimated earlier, the school event will begin at 4 PM on Saturday, November 18, 2023, and participants are asked to arrive at school by 3:30 PM, with the exception of KG pupils, who can arrive with their parents at 4 PM.

Please see the **attached map layout and show details** for your reference and guidance regarding the program proceedings. Alternatively, **event information can be retrieved by scanning the QR codes** placed on school boards located throughout the campus.

Please be advised of the below:

- During the school event, the canteen will be open. Snacks will be available for sale from an outsourced catering firm.
- In order to keep our campus tidy, we have strategically placed dustbins throughout the school to dispose of any trash or garbage. Your cooperation in keeping our school clean will greatly contribute to the overall order and success of the event.
- The students have received their costumes for the event except for KG1A girls who will be receiving them tomorrow.

Important Information to Grades 4 to 8 Students

As requested by many parents, please find below the **new schedule** for the *Term 1 Summative Assessment*. **Kindly refer to the same portions shared yesterday.**

Date / Day	Grade 4	Grade 5	Grade 6	Grade 7	Grade 8
