

Dear Parents,

Greetings and good wishes from EIS!

Please be advised of the following:

- **Salam Sylvania**

The Grand Event Welcoming Term 2 is set on January 13th, 2024!

Let the anticipation build as we look forward to this event about peace, tolerance and brotherhood. Please mark your calendars and see you at Salam Sylvania in 2024. Further details will follow soon.

- **Term 1 Summative Assessments (Grades 4 to 8)**

The exams are starting tomorrow. The school wants to assure parents that students can freely approach their Phase Coordinators or teachers if they have any doubts or need any clarifications. Similarly, parents can request to schedule a call with any of our academic leaders or teachers for any concerns. Please feel free to contact the school office if you need any assistance.

Classes and continuous assessments will continue as usual for students from KG to Grade 3.

- **Today, November 20 is Universal Children's Day**

Our commitment at EIS is to prioritize our students' growth, learning, and happiness, which is central to our school's ethos. In honour of Universal Children's Day, we will be organizing a **"Children's Day Out"** for our students during school hours.

What will happen?

- ✓ There will be a special assembly prepared by the Academic Department for our cherished students.
- ✓ Winners of the mask-making competition will be announced and awarded.
- ✓ Lots of educational and physical games to join in.

Children must come dressed in coloured clothes, **with trousers being mandatory** for all participants.

Date	Grade	Location
November 22, 2023 (Thursday)	Kindergarten to Grades 4	Al Basra Park
November 24, 2023 (Friday)	Grades 5 to 8	Al Basra Park

We recognize the importance of providing opportunities that go beyond the traditional classroom setting, enabling them to grow both academically and personally. Kindly fill out the **attached consent slip** for your child's participation in the same which must be **submitted ONLY to the class teacher. A screenshot can also be shared through MS Teams chat.** We look forward to having your child/children and creating memorable experiences that embody the spirit of Universal Children's Day.

Important Note: Please do not forward any consent slips to the SA email.

Thank you for your attention and cooperation.

Warm Regards,

Excel International School
