

Dear Parents,

Peace!

Please note the following important information:

- **Postponement of Salam Sylvania**

The school has been notified of an ADEK Irtiqaa Inspection next week. As you may know, these visits are vital in ensuring that we maintain the highest standards of education and provide the best possible learning experience to our students. We have always placed great importance on these inspections and consistently strive to improve our practices. We are confident that this visit will reaffirm our commitment to excellence and identify new areas for growth and development.

**We would also like to inform you that the Salam Sylvania event, initially scheduled for this Saturday, has been rescheduled for January 27, 2024 (Saturday).** We apologize for any inconvenience this may cause and kindly request that all parents and guardians make themselves available on the new date.

Thank you for your patience and understanding.

- **ADEK CUP Interschool Sports Competition – a remarkable feat for EIS!**

Our student-athletes excelled in the ADEK Cup qualifying matches held from 5th to 7th January 2024. They performed exceptionally well in football and basketball competitions across Under 9, 11, 13 and 15 categories. Our girls' teams qualified for the second round in both football and basketball.

Although the boys in the Under 15 category fell short of the score, they were in high spirits and gave their opponents a tough time on the field. Our boys' teams won in Under 9, 11, and 13 categories qualifying for the next round.

Congratulations to all the athletes, sports teachers, Ms Meena, and Mr Shereef. We are also grateful to all the staff who supported the kids during the competition.

- **Resumption of Remedial Classes**

Remedial classes for Term 2 will begin on **Monday, 22 January 2024**. We hope that parents whose child/children are registered in this after-school support program are well informed and have made necessary arrangements from their end (i.e. transport, etc.).

- **Parent-Teacher Meet**

If you missed the Open House, rest assured that you can still arrange a meeting with your child's class teacher by contacting the front office. At our school, we take pride in fostering open lines of communication between teachers and parents to ensure that students receive the best possible support for their learning. Please feel free to contact us anytime if you require any assistance.

- **Parent Survey for Term 2**

We would like to extend an invitation to you to participate in a short online survey. Your valuable feedback will assist us in evaluating different aspects of our school. Your input is vital as we aim for excellence and identify areas where we can improve our services for the betterment of our students. Thank you in advance for taking the time to share your thoughts with us.
