

Dear Parents,

Peace!

Please note the following important updates and reminders:

- **Salam Sylvania**  
The school's big event, **Salam Sylvania**, will proceed as scheduled **on January 27, 2024 (Saturday)**. We appreciate your patience and understanding during the times when it had to be postponed due to unforeseen circumstances. Students are ready to spread peace and show brotherhood on this unique and spectacular occasion. We look forward to seeing all of you there!

- **Remedial Classes**  
The remedial classes for Term 2 have been rescheduled to Monday, January 29, 2024.

Ms. Raquel Colomer, our newly appointed Inclusion Teacher, will provide further details about this after-school support program to relevant parents.

- **Irtiqaa Inspection**  
The ADEK Irtiqaa Inspection has concluded, and we appreciate the hard work and efforts of all the academic and administrative staff. We also extend our thanks to the school management and the EIS parent community for their support. The official inspection report will be shared with you once it has been provided to us by ADEK.
- **Student Hygiene and Grooming**

**Proper Hygiene is a crucial component of the school health curriculum.**

Good hygiene not only helps prevent the spread of infectious diseases but also plays a vital role in the overall well-being of students. Children who practice good hygiene are more likely to succeed both personally and professionally, while also avoiding social problems and health issues.

Poor hygiene can manifest in various ways, such as messy hair, dirty clothing, poor dental care and unpleasant body odor. Given the significant impact hygiene has on students' emotional well-being, schools cannot overlook its importance.

In this regard, we kindly request parents to encourage their children to adopt good hygiene habits. This includes taking regular and thorough baths to maintain cleanliness and promote good health. Additionally, students should wear freshly washed and pressed clothes every day. It is also advisable for students to carry small hygiene kits to school, allowing them to freshen up between breaks or after physical activity classes. As the saying goes, "cleanliness is next to godliness."

The school alongside our parents will be working together to ensure that proper hygiene becomes an integral part of every student's routine, promoting a healthy and conducive learning environment.

**The Discover/Enquiry Trail for Term 2 – Week 4** is attached to this email.

Have a safe and restful weekend.

Best regards,

Excel International School
