

Dear Parents,

Greetings!

Please be informed of the following information:

- **EIS Annual Class Photo Shoot Session 2023-2024**

Annual class photographs are a wonderful way to capture the essence of a student's academic journey. To ensure that everyone can participate, the EIS annual class photo shoot sessions are scheduled from **5th - 9th February 2024**. Please see the details below.

Day	Date	Classes
Monday	5 th February	Grades 6 and 8
Tuesday	6 th February	KG1 and KG2
Wednesday	7 th February	Grades 1, 2 and 3
Thursday	8 th February	Grades 4, 5 and 7
Friday	9 th February	EIS Staff and students who missed their prior photo sessions

During the shoot, your child will be photographed highlighting their expressions and attributes.

Below are a few tips to help make the most out of the Photo Shoot:

- Please see that your child is in *regular school uniform, ID card, black shoes and school socks*. If the photo session falls on a day when your child has PE, kindly pack their regular uniform accordingly. Grades 1-8 are required to wear school blazers on the day of their photo session.
- Haircuts a few days in advance never hurt.
- **Note:** All class teachers will be present during the photo shoot, ensuring children are comfortable and having a wonderful experience.

The price and online photograph ordering procedure will be shared soon.

- **School Leggings for Grades 5 – 8 Girls**

Parents are kindly reminded that **EIS' leggings are a necessary component of the school uniform for female students in Grades 5 to 8**. As we have observed that some students have not been wearing the school leggings regularly, we request that you ensure your child wears this clothing item as part of their regular uniform. EIS' leggings offer a comfortable, secure, and flexible seating option, particularly during outdoor break times when sitting on the floor or stairs.

We appreciate your support in our efforts to maintain a safe, orderly and professional learning environment.

Thank you for cooperation and understanding.

Kind regards,

EIS Administration
