

EISCIR-P02/06/09/2022

Dear Parents,

Our hearts are still smiling!

We are deeply honoured and humbled to witness the incredible support and attendance turnout shown to us by the EIS parent community! We are ardent about making this year a uniquely enjoyable and rewarding learning experience for all our children.

To keep you abreast about our plans for this AY 2022-23, be advised of the upcoming matters:

1. Parent Orientation and Curriculum Evening

We invite you for a walkthrough of our school processes to ensure all-around student development. In addition, the Curriculum Evening is an opportunity for parents and carers across all year groups to gain a greater insight into aspects of teaching and learning at Excel International School. Your attendance and participation are highly encouraged.

The schedule is as follows:

Date	Time	Grade Level	Venue
15 th September 2022 (Thursday)	7:15 PM SHARP	Kindergarten	Tent Area
		Grades 1 to 7	Respective Classes

Kindly register through this online link <https://forms.gle/3A2Y3temxzoppVpX7>.

Important Reminders:

- The event is **STRICTLY** for parents and teachers **ONLY**.
- Children are **not allowed** to come with their parents/carers.
- A **green status** in the Al Hosn app is mandatory to access the school.

2. Baseline Assessments (All Grades)

In our quest to address the varying educational needs of our students, baseline assessments are scheduled from **12th-15th September 2022 (Monday – Thursday)**. Baseline portions were sent to you earlier but the same will be shared by the class teachers through the Discovery and Enquiry Trails on MS Teams and by an email from Student Affairs on Friday, 09.09.2022.

Monday, 12 th Sept.	Tuesday, 13 th Sept.	Wednesday, 14 th Sept.	Thursday, 15 th Sept.
English	Math	Arabic	Science

Essentially, the purpose is to collect information about a child's development or attainment at the point at which they enter a new setting or grade level. Baseline assessments highlight a child's strengths and areas for improvement, thus helping our educators in meeting the student's needs by the formation of achievable academic targets.

Kindergarten students will have their baseline assessments for English and Math on Wednesday, 14th September 2022.

3. Copycat Competition 2022-23

It's high time to liven things up! We say cheers to new avenues of intellectual adventures!

EIS will be conducting its first competition for this AY that drives out attention, physical effort and learning!

The **COPYCAT** competition scheduled on **Thursday, 8th September 2022** aims to bring out our students' skills, talents and creativity by allowing them to **recreate, rebuild, replicate** and **interpret** sample illustrations, models, artworks, etc. on their own.

Detailed information on the same will be shared by the class teachers shortly.

Again, we are grateful to all of you for the support the school has continued to receive.

Finally, we appeal to all our parents not to hesitate to reach us should there be any matter of concern.

Kind regards,

Excel International School
