

Dear Parent,

We hope your child had a lovely time during the break, spending quality time with all members of the family and the same time attending the Student-Led Conference in school. We are very proud of our students who took our sessions, leading their parents on their journey in EIS.

Further, please take note of the following information:

### 1. **Annual Sports Day**

Organised sports and outdoor activities help promote good qualities, healthy habits and discipline in school children. Sports can bring people together as nothing else can. It breaks down all barriers and builds up understanding and friendships.

In our pursuit to support activities that will positively impact the overall health and well-being of our students, EIS will hold its Annual Sports Day sometime in January 2023. Details will be confirmed at a later date.

However, the preliminary rounds/heats of activities will take place during the PE classes starting **24.10.2022 until 04.11.2022**. The students will engage in various events listed below:
