

EISCIR-P14/25/10/2022

Dear Parent,

Greetings!

Please be advised of the following information:

1. Virtual E-Safety Workshop

People are using the immense power of the Internet to explore, connect, create, and learn. It provides extraordinary opportunities, but its countless access to information has exposed its users to potential pitfalls.

Cyberbullying, identity theft, and invasion of privacy are some associated risks with the Internet and online social networking.

To harness the full potential of technology for learning while supporting everyone to be safe online, EIS is organizing a Virtual E-Safety Workshop to teach digital literacy and citizenship skills, including ethics and online behaviour. It aims to help our parents and pupils to think critically, act safely and participate responsibly in our digital world.

The online workshop will be on **Thursday, 3rd November 2022, from 2:30 pm - 3:30 pm on MS Teams**. The link will be shared with you by the class teacher through the personal chat.

We look forward to your positive response to this invitation.

2. Student ID Cards

Students will be receiving their school id cards from 10th November 2022 onwards. We thank you for your patience and understanding regarding this matter.

3. Educational Visits

The **GRADE 3 STUDENTS** will have a trip to the **Heritage Village on Tuesday, 1st November 2022**. The purpose of the visit is for the pupils *to understand that heritage buildings are vital in preserving the country's national identity and in raising awareness of heritage at present*.

In this regard, we request you to fill out the attached form **if you permit** your child/children to participate in the trip and **submit the hard copy of the consent slip to the class teacher** at the earliest.

Parent's approval is required. Students without signed consent forms will NOT be allowed to come for the trip.

For participating students, be advised of the following:

- You should come to school in your **regular uniform**.
- Electronic gadgets such as mobile phones, tablets, electronic games, etc. are **not** allowed.
- **School transportation** will be provided to and from the school.
- Students will resume their usual classes as the trip/visit will be conducted during school hours.

Thank you.

Kind regards,

Excel International School
