Dear Parents,

Greetings!

Kindly note the following important information.

**WE ARE HERE FOR YOU!**

The conflict in Sudan has headlined the mass media in the past weeks, with residents and citizens crossing neighbouring countries for refuge and fleeing for their safety. Our heart goes to all children, families, and everyone caught in the war.

EIS would like to assure our Sudanese families that we are with one with you in keeping your loved ones and your country in our prayers. We can't express in words the horrific aftermath a war brings.

We are here for you!

Please inform us of any support or assistance you need in these crucial times. EIS and your parent community are ready to help in whatever means we can to ease your hardships. We will continually keep you in our prayers.
