

EISCIR-P69/06/06/2023

Dear Parent,

As we approach the end of another successful academic year at EIS, we would like to take this opportunity to reflect on the journey we have undertaken together. We believe that your experiences as parents of our esteemed students play a crucial role in shaping our school community and inspire future families who join us.

We are excited to announce that we are seeking volunteers who would be willing to share their first-year experiences at EIS in the form of a short video. Please share your thoughts on the following aspects:

- What motivated you to choose Excel International School for your child?
- How did your child adapt to the new environment and the academic curriculum?
- How has your child's experience at Excel International School positively influenced their personal growth and development?
- What were the standout moments or experiences that made your child's first year at our school memorable?

We request all parents to keep their video submissions to 30 seconds. All video submissions are to be emailed to student affairs at [sa@eisalain.com](mailto:sa@eisalain.com) on or before the **11<sup>th</sup> of June 2023 (Sunday)**.

Thank you for joining us in celebrating the remarkable journey we have undertaken together. Your support and involvement in this memory video project are greatly appreciated. Should you have any questions or need assistance with the video submission process, please do not hesitate to reach out to us.

**School Newsletter (April – May Issue)**
