

EISCIR-P71/12/06/2023

Dear Parent,

Ready, get set, summer go!

EIS is formally welcoming the summer season by hosting a **Splash Day**. *It will be a day full of fun, laughter and water games* for the children in the Kindergarten to Grade 3.

The Discovery Forest will be transformed to a Rainforest where sprinklers will mimic the rain. Yes, you read it right! We will bring in the rain showers for the kids to enjoy. Children can bring their toy water sprinklers and bubble machines for added excitement. They will play in water with some splashing, jumping and dancing.

In this regard, please be advised of the following information:

- **Splash Day Schedule – from 8 AM to 10 AM**

|              |  |
|--------------|--|
| GRADE 3      | 14 <sup>th</sup> June 2023 (Wednesday) |
| GRADES 1 & 2 | 15 <sup>th</sup> June 2023 (Thursday)  |
| KINDERGARTEN | 16 <sup>th</sup> June 2023 (Friday)    |

- Children must wear their **water play attire** underneath their **PE uniform** so they can easily change for the activity.
- A pair of slippers, small towel and a plastic bag is a must.
- Children can come with their small lunch bag. As this is a special undertaking, there will be **no regular classes** during the days mentioned above.

Thank you for your continued attention and cooperation.

Kind regards,

EIS Admin
