

EISCIR-P04/19/09/2022

Dear Parents,

“The key to successful leadership is influence, not authority.” – Kenneth Blanchard.

Excel International School will always strive to inculcate a sense of responsibility and commitment among students, who are ready to shoulder responsibilities as leaders. This academic year, we look at leadership as **Who you are**. Great leaders are self-leaders. They lead themselves first before they go lead others.

The nominated candidates campaigned and the students voted democratically to form the Student Cabinet for the AY 2022-2023.

The investiture ceremony, where the elected student council members will be taking their oath; and will be bestowed their badges, is to be held **on Friday, 23rd September 2022, at 8:30 AM**. We congratulate the parents of all the newly appointed student leaders.

We wish the student-leaders of EIS a very successful tenure, trusting that they will bring great pride to their alma mater, friends and families!

On another note, be advised of the following reminder:

- **Baseline Assessments**

The results and feedback of the baseline assessments will be shared with you by your child’s class teacher through the MS Teams chat. The academic targets will be given to direct students to move toward their overall educational progress.

Once again, we ask for your patience as there are still delays and stock shortages in school uniforms. We are grateful for your understanding and cooperation. We are sorting and rectifying these matters with the uniform supplier to avoid similar recurrence.

Thank you for your continued support.

Kind regards,

EIS Admin
