***Alone we can do so little, together we can achieve a lot!***

Welcome to the EIS family!

We are delighted to extend a very warm welcome to our EIS family. Our school is diverse, full of energy, expertise, optimism, and have high expectations for every child who enters the school gates.

The beginning of this school year marked such an important time whereby teachers have formulated positive relationship with their students. A learning environment based on trust, where students feel safe to share their ideas and comfortable to make mistakes that'll set the scene for a successful school year, for each child.

Our commitment is to ensure that we prioritize the needs of children, their learning and well being that develop excellence within themselves in an environment that is fuelled by explicit, carefully focused instruction that focuses on meeting the specific needs of every student, every day.

Kind Regards,

Ms. Reena Jacqueline  
Phase Coordinator (Gr 1-4)

## Student Editors of The Month

Amia Fate of 3C, Abdullah  
Sajid of 3B, Lana Saleh of 3A

*On the evening of Saturday, 3rd September 2022, a new star arose and sequined the sky of education in Al Ain.*

# EIS Inauguration

For all the determination and endless hard work that she has put into sharpening the bright, young minds and completing 27 years in the AJ Group of Schools, Mrs. Tanveer Arshad (Managing Director) congratulates our very own Head Teacher Miss Agnes Nathaniel

**A Good Apple**

## Our Assemblies!

**Unbox Your Inner Self**

A special assembly held by our beloved Head Teacher, Miss Agnes, where she spoke to encourage the young minds of the future to aspire to grow to be model citizens for our society; a "good apple". As a bonus, everyone, including the staff were gifted a fresh apple, pushing the message on the nourishment.

School assembly nurture a positive school ethos that emphasizes care for self, others, and the pursuit of all forms of excellence. The talented students of Grades 1-4 (Zargham Amad of 2A, Jonathan Moussa of 2B, Rayan Saleem of 3C, Badr Walid of 3A and Maya Ayaz of 3B) participated with total involvement and entertained the student audience with their brilliant acting skills and positive attitude. The focus of the assembly was for all to understand how being positive helps to achieve and grow as an individual.

We believe that by offering all these extra curriculum club activities help our pupils be involved, discover new interest, and develop more fully as individuals.

# Clubs

## Creative Tinkers

The innovative minds of Creative Tinkers make their own bird feeders using recycled materials.

## Earth Warriors

Our adept Earth Warriors can be seen repurposing plastic bottles to create new, beautiful flower vases.

## Excel Stars

The talented Excel Stars act out the song 'Let It Go'.

## Glee Club

The radiant voices of the Glee Club singing their hearts out.

## Happy Feet

The active students of Happy Feet get their hearts pumping to a Zumba tune.

## Puppetholics

The incredible storytellers of Puppetholics make their very own stick puppets to tell the story of 'The Fox and The Crow'.

## Taste Buds

The little chefs of Taste Buds use their culinary skills to make 'Owl on Toast'.

# WOW Week!

Week of Welcome served as a whole school and class program that was essential to the success of knowing and greeting students. It was a collaborative, introductory effort to welcome our little once to socialize new students to EIS family. During this fun week, students were comfortable, had lots of experiential learning; developed positive and influential relationships with teachers and peers.

How is it to replicate art!  
We witness the creativity of  
students who recreated, and  
replicated the sample  
illustration on their own

# Copycat Competition

## CONGRATULATIONS TO OUR WINNERS!

# Class Activities

Grade 4's visit to the curiosity labs to learn about lab equipment and their uses.

During English lesson, Grade 3 students had to find their partner to complete the sentence.

Grade 4's movie time where they learned interesting facts about the Earth and Moon's surface.

Learning Math is FUN!

Students enrich their minds by reading in the discovery forest!

On World Heart Day, students named and planted saplings in the school premises. Plant a tree, plant a hope.

PSHE students learn how to reduce stress and the qualities of a good person.

Grade 4 students understand the importance of human values by learning how to be a 'Good Apple'.

# Math Week Activities!

**Mathapoly:** Players rolled the dice and had to answer the question that was present wherever the dice landed.

**Popsicle Game:** Players had to arrange the popsicles in the correct order by solving math problems.

Our enthusiastic parents joined their children for Math Week, and took part in all the lively activities!

**Passing the ball:** A ball was passed around and whoever caught the ball had to answer a question written on it.

## Grade 4 Parent Assembly

Parents are the greatest influence in a child's life and education. A special assembly was organized and conducted together by Grade 4 A & B students on 29th Sept 2022; to promote partnership between home and school, a connection to child's educational experiences. Students presented a thoughtful skit on the importance of blessings, melodious song by expressing their gratitude towards their parents.

# World Heart Day

On World Heart Day, our students took part in a number of activities that taught them the importance of the human heart, being healthy and how they can be kinder to themselves and those around them.

PD sessions focused on teaching strategies associated with specific curriculum content that supports teacher learning within their classroom contexts.

## PD Sessions

Teacher professional learning is of increasing interest as one-way to support the increasingly complex skills, students need to succeed in the 21st century. Various Professional Development programs were initiated and organized during the induction program in supporting changes in teacher practices and student learning.

Child Protection Policy Workshop

Teacher's Induction Program held by Miss Agnes

Teambuilding Workshop for teachers of Grades 1-4 conducted by Miss Reena

Science Model Lessons conducted by Miss Judith

Parent Orientation and Curriculum Evening was organized on 15th of September at EIS campus for parents to familiarize themselves, "as partners in progress" with the curriculum, rules and regulations of the school, teaching methodologies and the co-scholastic activities. Teachers also stressed on the importance of parents to be role models to their children and encouraged them to take active part as member of EIS family in the formative years of their children.

Dr. My First Day at School

It was a very happy morning when my dad and my mom dropped me at school. I was feeling nervous and excited. I was excited to see and meet my new friends and my new teacher. I was nervous because I will be in grade three, new lessons and new challenges. But I know I am strong enough and I am brave to have the new chapters of my new beginning. I met my old and new classmates. I also met my teacher and advisor Miss. Aysha. My teachers are so kind and they are all very accommodating. I enjoyed to play in our play ground specially our huge football area.

Excel International School  
Amir Tale L. Acudo Grade 3-6

As a new student in E.I.S., I felt a warm welcome and a sense of belongingness on the first day. I feel like I can be myself. My teachers are kind, wise, and caring as well. My classmates and friends made my day fun. The classes are out of the box which gets me thinking and for me, this is very challenging and exciting for my studies.

Creative Writing Skills

I.O. To write meaningful sentences in a paragraph with the correct punctuation.

Topic: Why do you think reading is important in your life.

Reading is essential and significant to everybody's life. First, when I read books, I always learn new words, names, and languages. It strengthens my writing and speaking skills. Second, reading develops our minds. It activates my memory and improves my imagination. I can recall words and their meanings everytime I come across any of them. Also, I can travel from one place to another, explore the world by imagining the events in the story. Third, reading is a good source of information. I can learn new information about different topics and use them when needed. As a conclusion, reading books is important in our life as it has numerous benefits.

Yara, you have found meaningful sentences without any mistakes. That's really great!

My Favourite Hobby!

A hobby is a gentle and pleasant occupation designed to relax and take your mind off things.

Cycling is my favourite hobby that I like to do in my free time. Cycling is a great hobby since it makes

the body healthy, decreases stress levels and strengthens bones.

Well found! Be kind to your brain!

Great job!

I appreciate your effort!

Maya 3B

**My First Day of School**

I was excited to have new friends.

I love my new school Excel International.

I love my new teacher Ms. Aysha.

I will learn amazing things at discovery forest.

Done By: maya

Write some sentences to describe the monster using the words from the box:

hairy	blind
scaly	lonely
fluffy	crusty toes
orange	stripy nose
blue	pointy tusks
green	long horns
big	spotty tail
enormous	purple claws
small	long neck
tiny	yellow tummy
scary	

Remember to:

- Construct meaningful sentences.
- Use proper verb tense.
- Punctuate sentences effectively.

**Pop The Scary Monster.**  
(written by Muzey Grade 3C)

It was a rainy day and Abid was playing in his room. Suddenly he heard a tap at the window. It was a big fluffy hand. Abid felt a little bit scared. Next there was a knock the door. Grrrr! Got a wake, the door opened. It was an enormous and scaly monster. It had blue eyes, orange horns and a big yellow tummy. It had spotted tail and pointy tusks. When Abid saw it for the first time he realized that was not a monster, he was in a park with a monster costume. He said I am sorry if I scared you could you play with me. Good imagination. (Muzey) You have used the new vocabulary appropriately. Now check out your punctuation marks.

**My first day at school**

My school name is Excel International school. I was really excited to go to my new school. It is a very big building with large play grounds to enjoy. It also has a discovery forest to help us learn to take care of nature. My school symbol is a horse which is my favourite animal.

My class room was very beautiful and big. I met my class teacher Miss Aysha Akhter. She is a very nice teacher. She teaches us main subjects. I like my school very much.
