EIS Inaugural snapshot!

Kindergarten Team - Ms. Bernice, Ms. Valentine, Ms. Komal, Ms. Sobiya, Ms. Joy, Ms. Vinodini, Ms. Nilanthi, Ms. Kim, Ms. Nancy, and Ms. Maud

EIS KG Department with Ms. Agnes!

Welcome to EIS Kindergarten!

It gives me immense pleasure to welcome you all. Kindergarten is an exciting time when children embark upon adventures in the world of learning. Each year will provide important transitions and the acquisition of new skills and values that will enhance each student's ability to smear learning in countless ways.

"The Art of TEACHING is the Art of ASSISTING DISCOVERY"! - Mark Van Doren

At EIS, Teaching and learning offers us all plentiful opportunities to focus Discovering a number of "small things" that culminate over time to produce students that are prepared to do the "great things" of life. Here in Kindergarten, we are committed to integrate the free play into learning opportunities at our novel 'DISCOVERY FOREST' section because we believe that we learn and discover better with free play opportunities.

EIS students will explore, express and excel academically and creatively. In partnership with our community, we integrate the free play to ignite enthusiasm, deepen understanding, and enhance learning for every student.

At EIS we trust that it is our responsibility to maintain and to continue to build a supportive and collaborative spirit at our school. Together as a school community, we will build on the traditions of the past and meet the challenges of the future in an innovative and exciting ways.

Sincerely,
EYFS - Phase Coordinator
Komal Sarkar

★ First Day ★ of Kindergarten!

First Day - Welcome to EIS! New School; New Class; New Friends; New Play Area and Novel Discovery Forest made the First Day the most memorable one loaded with engaging activities!

FIRST DAY ACTIVITIES

Junior and Senior KG First Day Take Away

Tigger's Class

We smile when we are happy!

Grizzly Bear's Class

Lion's Class

Unicorn's Class

Dino's Class

Teachers chose to gift them on the first day exactly similar to each other using their class mascots so they feel loved since they will start believing they are all equals in their teacher's eyes.

New things to do, new friends to meet!

I'm so excited, I can hardly speak!

Hooray! It's the first day of school!

Let today be the start of something new!

Fun activities students did on the first day such as making colorful name tags.

A great way to help the students get acquainted with their teacher and other kids.

TAKE AWAY ACTIVITIES

WOW WEEK

TODAY
is the day to
learn something
NEW

GOOD JOB

"Start where you are.
Use what you have. Do what
you can."

Kindergarten kids connected with new buddies and teachers by doing lots of hands-on learning activities during 'Week Of Welcome (WOW)'!

Let us remember: One book, one pen, one child and one teacher can change the world.

DISCOVERY FOREST

Children experience the joy of self-motivated learning and find answers to their questions through exploration and discovery.

Mud Kitchen Area

Mud kitchen helps children to develop fine motor skills, roleplay, exploration, and social skills.

Water Play Area

Children enhance their gross motor skills, coordination and physical fitness through pouring, carrying, and splashing, while actions such as squeezing help to develop the small muscles in a child's hands.

Sand Play Area

Playing in the sand is terrific for developing motor skills, building hand-eye coordination, and strengthening muscles.

Shopping Area

When they are engage in pretend (or dramatic) play, they are actively experimenting with the social and emotional roles of life. Through cooperative play, children learn how to take turns, share responsibility, and creatively

Outdoor Classroom

Learning spaces at school where teachers can conduct lessons outside. The lesson might take the same format as it would indoors, just in a different environment.

Sensory Garden Area

Stimulating and engaging the five basic senses of sight, smell, sound, touch and taste. This type of garden not only allows children to connect to nature, but encourages them to become more aware of their surroundings and their response to them, tapping into the principles of mindfulness.

PD SESSIONS

teachers

Teacher Induction headed by Ms. Agnes our School Principal

Model Lesson by Ms. Kim and Ms. Vinodini

Circle Time administered by our Line Manager Ms. Komal

Talk for Writing- Story Session - "The Hare and the Tortoise"

A comprehensive workshop conducted by Ms. Bernice Mukesh on Jolly Phonics

Model Lesson facilitated by Ms. Shamima

Behaviour Policy Orientation by Ms. Suchita

KG1 CLASS ACTIVITIES

Welcome to our always learning sometimes loud usually messy happy classroom!

Children reflecting on lines

Yay!! I can count numerals accurately!

We can identify long and short objects!

Understand and perceive the world around us with our 5 senses

With our eyes we can see. With our ears we can hear.
With our hands we can touch. We can feel when you are near.
We can taste sweet and sour. We can smell with our noses.

KG2 CLASS ACTIVITIES

Look! We can make graphs for the given data.

Hopscotch with numbers!

I can write numbers 1 to 10!

Consonant-vowel-consonant pattern words help them grow into a quick reader.

THE VERY HUNGRY CATERPILLAR

Learning Ordinal Numbers while racing with classmates!

"The Train Ride" craft

Bring Your Own Device

A story sequence of 'The Very Hungry Caterpillar with its life cycle using ordinal numbers too!

CLUBS

ACTIVITIES

Deen-E-Islam

Jolly Earthlings

Being imaginative and creating eco friendly craft in our own little ways.

Kids Kanvas

Children learned how to greet in Islam. In Deen E Islam Club, they learnt that the girls cover their hair with sheila and boys wear a cap to read the Holy Quran.

Little Chefs

'Little Chef' Club children were anxious to know why chefs wear white, they learned all about the dress of the chef, as white is seen as a symbol of cleanliness and professionalism.

Children in Kids Kanvas learned to draw, paint, design and do paper crafts and so much more! They're enjoying the ride to creativity and innovation!

Sunshine Crooners

You do not have to be perfect you do not have to be amazing you should just keep wanting to learn.

Sunshine Crooners has been set up to encourage kids who love rhythm and rhyme! Kids get to sing, dance, tap, clap and sway to music. Those little tender voices sing their favorite songs and perform as well.

It's no secret that children are picky eaters but cooking helps them to be more adventurous when it comes to food! A curious child will always be eager to try a new dish if they've seen how it's done and helped make it themselves.

ASSEMBLY Golden Words

Children need to learn golden words early on to make them grateful and polite.

Circle Time fun with our Head Teacher - Ms. Agnes!

Golden Words lay the foundation of politeness and courtesy in children which help them grow up to become humble and confident individuals.

ONE KIND WORD
can change
someone's
entire day

Parent orientation helps parents voice their opinions about school systems and to know about something new that has been introduced in the school and how the child will be accessed throughout the year, most importantly school expectations!

co-operative
differentiated
fun
interactive

The purpose of Curriculum Evening for parents and guardians is to meet with class teachers, leaders and or specialists to learn about grade level curriculum and expectations for the school year.

Behind every young child who believes in himself is a parent who believed first.
Matthew Jacobson

WELCOME TO KINDERGARTEN!

Parents enjoying 'Discovery Forest' tour!

Parent's first visit to our classrooms and corridors!

Importance of 'Discovery' in Early Years! By Ms. Komal

BYOD presentation by Ms. Vinodini and translated by Ms. Amira.

Child Protection Policy explained by Ms. Kim.

KG1B Unicorn's classroom

Ms. Nilanthi and Ayan's parents at KG2A classroom

How Many Do you See?

Every child is a Mathematician!

WEEK

Running into the Magic of Numbers and Patterns!

Math is not about numbers, equations, or computation.

It is about understanding the concept. With an aim to create an interactive and interesting learning of Mathematics...

EIS Kindergarten students played number games, explained 2D and 3D shapes, solved puzzles and bingo among many other activities.

Math games with our Math HOD -Ms. Ghanaya

Alone we can do so little;
together we can do so much!

BE BELIEVE
IN
YOU RSELF

**BIG
POWER**

SmILE
