Alone we can do so little, together we can achieve a lot!

- Hellen Keller

Welcome to the EIS family!

We are delighted to extend a very warm welcome to our EIS family. Our school is diverse, full of energy, expertise, optimism, and have high expectations for every child who enters the school gates.

The beginning of this school year marked such an important time whereby teachers have formulated positive relationship with their students. A learning environment based on trust, where students feel safe to share their ideas and comfortable to make mistakes that'll set the scene for a successful school year, for each child

Our commitment is to ensure that we prioritize the needs of children, their learning and well being that develop excellence within themselves in an environment that is fuelled by explicit, carefully focused instruction that focuses on meeting the specific needs of every student, every day.

Kind Regards,

Ms. Reena Jacqueline
Phase Coordinator (Gr 1-4)

EIS INAUGURATION

Beaming with enthusiasm as we kick-start the year with our state-of-the-art premises; our second home!

PD Sessions

Child Protection Policy conducted by Ms. Suchita

Induction Program conducted by Ms. Agnes

IT Induction conducted by Mr. Asif Mohtesham

Workshop on 'How to build a strong team on trust'- By Ms. Reena Jacqueline

PD sessions were focused on teaching strategies associated with specific curriculum content that supports teacher learning within their classroom contexts.

ASSEMBLY TIME!

How to be a good apple?

An enriching time with a powerful message of which celebrates the delicacies of being a good individual.

Unbox Your Inner Self

A plethora of emotions showcased as the student audience were glued to a stupefying performance on how one must nurture a positive attitude towards life.

Stay Positive!

Wow!

WEEK OF WOW

Week of Welcome served as a whole school and class program that was essential to the success of knowing and greeting students. It was a collaborative, introductory effort to welcome our little ones to socialize with new students in the EIS family. During this fun week, students were comfortable, had lots of experiential learning; developed positive and influential relationships with teachers and peers.

Copycat Competition

How is it to replicate ART!

We could witness the creativity of students who recreated, replicated the sample illustration on their own.

Discovery Forest

Discovery Forest is a place which gives children the freedom to explore and create in a natural environment, which in turn teaches the secret of life.

Children unleash their curiosity and creativity in the Discovery Forest.

INTRODUCING THE CLUBS!

Excel Stars

The talented Excel Stars act out the song 'Let it Go'.

Glee Club

The radiant voices of the Glee Club singing their hearts out.

Happy Feet

The active students of Happy Feet get their hearts pumping to a Zumba tune.

Tastebuds

The little chefs of Taste Buds use their culinary skills to make 'Owl on Toast'.

Creative Tinkers

The innovative minds of Creative Tinkers make their own bird feeders using recycled materials.

Puppetholics

The incredible storytellers of Puppetholics make their very own stick puppets to tell the story of 'The Fox and the Crow'.

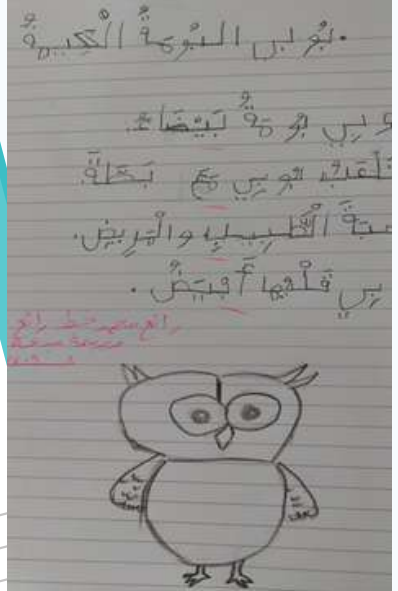

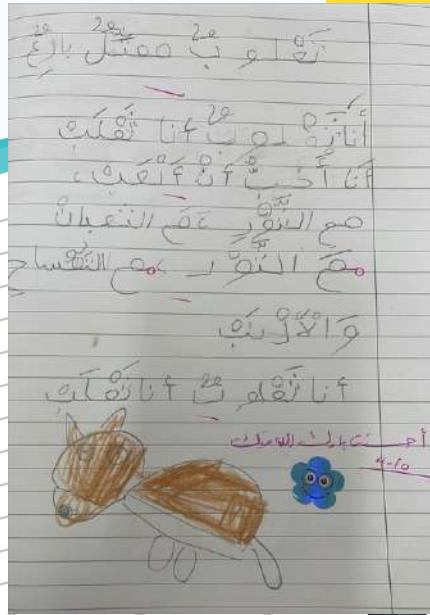

Earth Warriors

Our adept Earth Warriors can be seen repurposing plastic bottles to create new, beautiful flower vases.

Mathematics Unites

Students of Grade 1B all focused on the task ahead of them.

Students paying close attention to the instructions of Ms. Jeany about Mathematics' task card.

Nothing like good ol' math to rack the brain up during Math Week.

Engaged parents were all but engrossed on how their children were coursing through, crunching numbers on the go!

Grade 1A students are challenged to solve math questions.
