

Dear Parent,

Greetings!

Conducted every four-year interval since 1995, the TIMSS or Trends in International Mathematics and Science Study is an international assessment that monitors trends in student achievement in Mathematics and Science for fourth and eighth-grade students.

Way back in 2019 as the former ZPS - British, we received an impressive feedback from ADEK in our TIMSS results which was then participated by 162 private schools in the UAE which were follows:

Grade 4 Mean Scores			TIMSS International Benchmarks	Below Low	< 400
Cohort	Mathematics	Science		Low	400
ZPS – British (now EIS)	509	525		Intermediate	475
Abu Dhabi Private Schools	477	466		High	550
All UAE Schools	481	473		Advanced	> 625

* The overall mean scores in Math and Science are 509 and 525 indicates that ZPS-British (now EIS) has reached the intermediate international benchmark that is higher than most private schools in Abu Dhabi and all UAE schools combined.

With your wholehearted support and sterling partnership, we can look forward to achieving better results and reaching greater heights for our EIS students.

On another note, please be informed of the following:

New Academic Year 2023-24

Admissions for KG1 to Grade 8 are now ongoing for new students. Kindly share the information with your relatives and friends and have their child's educational journey begin at EIS.

To confirm your child's continued place in EIS, kindly submit the registration fee through an in-school transaction, Zenda app or bank wire transfer. **Important:** The registration fee can now be submitted upon clearance of the February dues.

School Newsletters

Please read through the attached newsletter on recent events highlights, including spotlights on the vibrant student life at EIS.

Educational Visits (Grade 4 to 7)

Students of Grades 4 to 7 will have a day out to the Al Hili Fun City next week. Kindly ensure that a signed consent slip and the AED 30 fee are given to the class teachers before the educational trip schedule.

Spelling Bee Competition (KG2 Students)

As shared with you earlier, the Spelling Bee Competition (preliminary & semi-finals rounds) is scheduled on Tuesday, 21st February 2023. Students who are successful in both rounds will compete in the finals on Tuesday, 28th February 2023.

The Discovery Trails for Week 8 is attached for your guidance.

Thank you.

Kind regards,

EIS Administration
