Dear Parent,

We were so pleased and grateful to our mothers who graced our **Mother's Day Celebration** today in EIS with their presence and support. You are awesome in so many ways!

As we are about to end Term 2 and begin the final term during the Holy month of Ramadan, please be reminded that the school timings during Ramadan will be as outlined below.

Similarly, **KG Own Transport students** need to be picked up latest by 12NN.

Spring Break 2023

The Spring Break for students will begin from 27th March 2023 (Monday) to 7th April 2023 (Friday).

Students will report for Term 3 on **Monday, 10th April 2023**.

Acts of kindness can make the world a happier place for everyone. They can boost feelings of confidence and optimism. Repeated deeds of kindness contribute to a more positive community. During the break, we encourage the students to select and engage in at least one activity from the attached **Spring Break: Spreading Kindness** tasks list.

They will submit the assignment to their class teacher when the school reopens or share the same on their Teams channel.

Admissions for AY 2023-24

Placement assessments and interviews are ongoing for all grades (KG to Grade 8), wherever spaces are available. We endeavour parents of our currently enrolled students **secure their child's place in the next academic year** by submitting the registration fee as soon as possible. After the deadline on 28th April 2023, we will begin to entertain external applications.

Should you have any plans to change placement for your child, please visit the school office to sign the applicable forms.

We extend our Ramadan greetings to one and all. Stay safe and stay blessed.

Kind regards,
EIS Administration
