

Subject: Senior Kindergarten Moving Up Ceremony and Annual Day

Dear Parent,

Another academic year is about to end, and a new one is set to begin. It is time to reflect on this year's accomplishments and look forward to the future.

The year 2022 has indeed been a superb period for us at EIS. A time full of opportunities, learning and enjoying with friends all at the same time, and time well spent; months that have gone by and will never return. The Annual Day is an occasion of celebration, felicitation and festivity.

Our students will present a variety of stage performances in a cultural show, "*Scintilla of Hopes, Dreams and Magic*", filled with fun, colour and energy.

Along with the show and which is difficult to believe, the kindergarten journey for our KG2 students is coming to a close. **The moving-up ceremony** is a special milestone that marks the culmination of their pre-primary education. It will be an academic proceeding to celebrate learning and honour a passage fulfilled.

To our Senior KG graduates, you survived a year of firsts: new friends, new school, and new routine, and you did it all in stride. You are intelligent, wonderful, brave, strong and incredibly kind to your peers. We are proud of the young kids you've become! EIS salute you on the successful completion of kindergarten!
