## EIS CELEBRATES

## EMBRACING DIFFERENCES

EIS waved a magic wand of colours and cultures in an extravagant event – **EMBRACING DIFFERENCES** on 29th November 2022. A mini global village was set up in the school grounds to mark the 51st National Day of the UAE. The event intended to unite the world in thanking the UAE for its policies of tolerance and inclusion. The event was well-appreciated by the parents and all hearts resonated the prayer – **Long Live the UAE!**

***A UAE National Day Celebration of Cultures***

# FLAG DAY

*Raise it High...Raise it Proud*

A day celebrated to show the importance of the flag which has united the UAE's seven emirates together. School leaders and Management addressed the school about the importance of Flag Day, the accession of Shaikh Khalifa, and the tireless work of Sheikh Zayed and the founding fathers.

As the Flag was proudly raised and saluted by all, the school sang the national anthem to renew our commitment to these values.

Students later celebrated Flag Day by composing essays about the country, solving a giant UAE flag puzzle, and play games based around the colors of the flag. So, next time you see the UAE flag, take time to reflect on the values it represents, how we can implement those values in our everyday life.

## DAY OUT

## Happy Children's Day 2022

**"All work and no play makes Jack a dull boy."**

*Childhood is a blessing and the most fun filled phase of life.*

*On 18th November students from KG to Grade 7 were taken to a park to celebrate International Children's Day as one big family with great festive fervour with a special assembly by teachers with enthusiasm and magnificence, followed by a series of interesting and exciting events, all planned meticulously for complete fun-filled day.*

**Let's**  
Have  
**FUN**  
— Today —

**Learning Is Fun**

Hands-on activity about types of teeth and their function.

Collating data on the usage of water.

**Play,  
Learn  
and  
Grow...  
Together!**

Experimenting the usage of water in the discovery forest.

To know about multiplication by making groups.

"Good Friends are like Stars." An assembly on Bond of Love and Friendship was presented by Gr 3C students.

Look who visited EIS! Friendly little bunnies Snowy and Husky.

Reading and sharing our opinions in small group in Discovery Forest.

“Tell me and I forget. Teach me and I remember.

*Involve me and I learn.”*

- Benjamin Franklin

*Sharing their gardening experience with Ms. Agnes.*

*Flip classroom on different types of extreme weather conditions.*

*Group discussion about the effects of floods & precautions to be taken before and after floods.*

*The curious Grade 4B boys observing the parts of the flower.*

### **TELL A TALE!**

*Stories in their own words ...*

*The best communicators are always the ones not with the best stories, but the ones who know how to tell a story in a best way that holds and captures audiences' attention. A volunteering opportunity was given to students to narrate stories to their below graders. It was a remarkable experience to our little ones that boosted their confidence. This initiative will continue with other graders too.*

*Group work discussion on Seed Dispersal.*

*Determining the life cycle of a plant.*

# BEYOND THE CLASSROOM!

*"Self-study, Self-exploration, Self-empowerment. These are the virtues of a great education"*

This has indeed been the focus of EIS, where children are provided opportunities to go beyond the curriculum and explore and study from experience.

A Visit to 'Heritage Village' was organized on 1st November for the students of Gr.3.

It offered a glimpse at the past life of UAE culture and tradition. Students discovered artifacts and watched artisans make pottery and were explained how the village was home to the Emirate Heritage, which hosts workshops for traditional crafts. Pupils also loved the museum at the Heritage Village which reflects Emirati traditions with authentic jewelry, weapons of the early era, and historic tents.

# Educational Visits

# ENJOY!

## Grade 3 Explore Heritage Village

**GRADE 4'S  
BAKERY ADVENTURE**  
AL NOOR BAKERY

*"Bakers make the world smell better".*

To make this quote more meaningful students of Grade 4 visited Al Noor bakery as a part of a field trip on 7th November. Students observed bakers and pastry chefs in action and learned about professional and commercial baking facilities and equipment. Their wide eyes were full of wonders as they gained insight into a comprehensive range of baking ovens and bakery equipment. The learning objective of this trip was to encourage students to get hands-on experience in the bakery section and also to familiarize themselves with the baking process and utensils that are used in bakery.

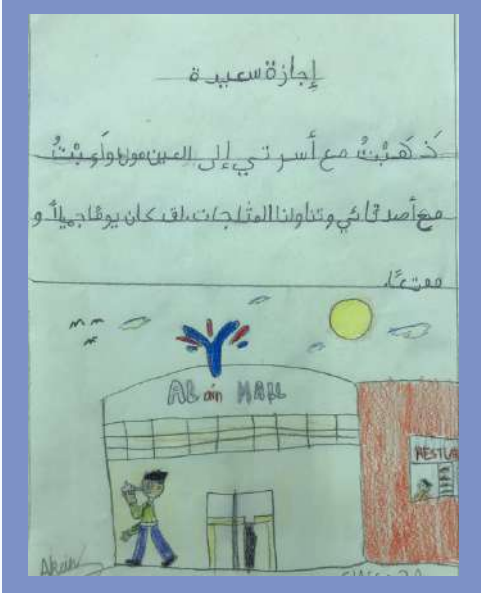

# MARVELOUS!

# Look at Our Best Work!

Children's Day Out

The previous Friday was children's day. The school prepared a beautiful day on the occasion of the celebration and suggested spending the study outside the school in an outdoor garden so that we could learn, play and have fun with each other and participate in games and have fun. Indeed, all of that happened. It was wonderful day and it will always be in our memories.

Children's Day Out

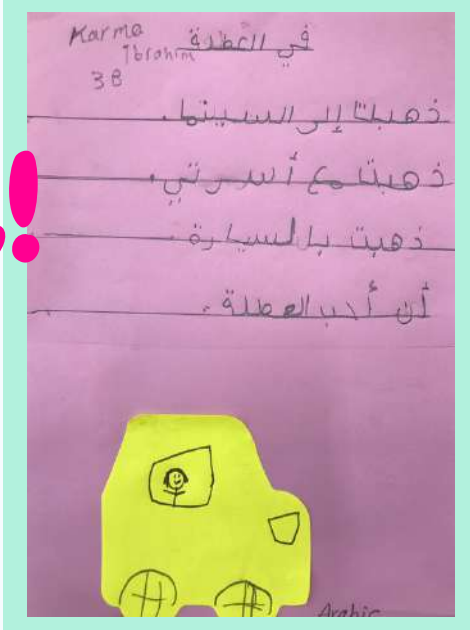

Our school organized children's day on 18th November 2022. We went to the Falaj Hazza Park. I won the prize in the ballon game. I was so happy when I got the prize. I went with my friend. Then we shared food with friends. My teacher was looking after us. We had lots of fun. I enjoyed with my teachers and friends.

Tolerance Day, 2022

We celebrated the International Day of Tolerance on 16 November 2022.

Tolerance is recognizing the universal human rights and freedom rights. We live in a beautiful world, we should show tolerance by accepting other person's perspectives. The most important way of tolerance is to practice respect.

Tolerance in UAE is observed in all levels.
