## A Note of Farewell From Our Beloved Grade 2 Teacher, Ms. Jeany

My Dear EIS,

As I prepare to leave this institution and embark on a new journey, I wanted to take a moment to express my sincerest congratulations and gratitude to each one of you and bid you all farewell. It has been an absolute pleasure to be part of this family. I will be forever grateful for all the trust, support, and guidance that you have showered me.

Being an educator in this wonderful institution thought me of so many good things that I will bring to my next journey.

Thank you, EIS, for preparing and inspiring me to become proactive and brave enough to accept challenges that I thought I cannot do. I am privileged to be a teacher in this school.

I may be leaving Al Ain, but all our good memories will be in my heart.

To my dear students, I hope I was able to inspire you to think critically, to learn new things and most importantly to be more compassionate and loving to yourself and to your classmates.

As I take my leave from this institution, I will cherish all the amazing things that we have shared together. Be your own shining star wherever you go.

All the best,  
Ms. Jeany Mangoma
