Islamic Competition

✦ So proud of you ✦

A heartfelt appreciation goes out to our students **Elham Mohammed 2B, Omar Eid 3C, Mariam Mashoor 5B & Hala Moataz 6B** who participated in the eleventh session of the **Muhammad Bin Shamal Biography of the Prophet Competition** conducted in **Ain Al Khaleej Private School- Alain**.

Their dedication and enthusiasm have shone through in their commitment to learning and understanding the life of Prophet Muhammad (pbuh). Their involvement has not only deepened the love for the Prophet but also fostered good behavioral and educational values.

Congratulations on the efforts, and may we continue to be inspired by the Prophet's teachings in all endeavors.

Class Activities

Math Translation Yardstick - showcasing problem-solving skills and real-life application.

Engaged in the Water Cycle Model experiment, exploring the fascinating journey of water.

**WHEN WE LEARN,
WE GROW!**

Students actively engaged in a buoyancy investigation activity, exploring the principles of flotation and discovering the concept of buoyancy.

Students demonstrated their measurement skills by accurately measuring water in liters and milliliters.

Students actively engaged in group discussions during the Social Studies (SST) class, fostering collaborative learning and critical thinking.

Students exhibited their academic competence and proficiency in English, Math and Science through their remarkable performance in the GL assessment.

**learn
& play**

Students actively participated in the school drill on earthquake preparedness, ensuring safety and readiness.

"Unleashing Knowledge and Celebrating Success: The Grand Finale of our Year-End Competition!"

Our school conducted a thrilling competition to culminate the curriculum. Students showcased their knowledge and skills acquired throughout the year, competing in various disciplines and demonstrating their academic growth especially in Mental Math, Spellings, skills, and values. The competition provided a platform for students to apply what they learned in a challenging yet supportive environment. It was a celebration of their hard work, determination, and dedication to their education. The event brought Grades 1-3 together, fostering a sense of camaraderie and pride. It was a remarkable way to conclude the academic year and set the stage for even greater achievements in the future.

The **Lema Program** conducted in our school by ADEK offered an immersive learning experience through captivating experiments, interactive demonstrations, and collaborative projects, igniting students' curiosity and passion for scientific exploration.

Grade 3B conducted a heartwarming assembly on **World Friendship Day**, emphasizing the importance of unity, kindness, and fostering meaningful connections among students. Through inspiring speeches and engaging activities, they celebrated the value of friendship.

Splash Day 2023

"Make a Splash, Make Memories! Get Soaked in Fun at our Splash Day Celebration!"

A vibrant celebration in our school, filled with water-filled activities and joyful laughter. Students embraced the refreshing spirit of summer, engaging in water games, water balloon fights, and slip-n-slide adventures, creating lasting memories of fun and camaraderie.

Al Ain Juniors Premier League (AJPL)

The 10th edition of the highly anticipated Al Ain Juniors Premier League (AJPL) concluded on May 28, 2023, with the Young Champs emerging as the champions after a thrilling final match held at Excel International School. The tournament showcased exceptional talent, sportsmanship, and a vibrant opening ceremony that set the stage for an exhilarating competition.

Professional Development Workshop

A productive **Professional Development (PD)** session was organized that focused on the School **Self-Evaluation Framework and School Development Plan**. Educators eagerly participated, gaining valuable insights on assessing school performance, identifying strengths and areas for improvement. The interactive workshop was conducted by **Head Teacher Ms. Agnes Nathaniel**, that enabled collaborative planning to devise a comprehensive School Development Plan, fostering a culture of continuous growth and enhancement. This initiative furthered the school's commitment to providing a high-quality education for students.

We are honored to receive certificates from **ADEK** for participating in the **'Intel Train the Trainer'** program. Through this course, our educators gained invaluable knowledge and skills, learning about the latest teaching methodologies and incorporating technology in the classroom. The certificate recognizes their dedication to professional development, enabling them to provide enhanced learning experiences for our students. This course has empowered our teachers to deliver quality education and foster innovation in our school community.
