Probability with Dice
Answers

What is the probability of rolling:

- 1) a two?
- 2) a five?
- 3) a one or a six?
- 4) a three or a four?
- 5) a four or less?
- 6) a number less than three?
- 7) a three or more?
- 8) a number greater than five?

Probability - To check the answers using the help of a dice

Our students engage in an enriching lesson on the nature of fossils!

Teachers' Appreciation

Staff Appreciation Day at Excel International School was a euphoric celebration, an extraordinary event where the heartbeat and essence of EIS were acknowledged and cherished. Every single member of the staff, from the dedicated teachers who mold young minds, to the tireless support staff who create a nurturing environment, and the efficient admin staff who ensure smooth operations, was wholeheartedly recognized for their unwavering commitment and exceptional contributions. It was a day brimming with gratitude, radiating a sense of unity, and affirming that the collective effort of this remarkable team is the very foundation upon which EIS stands tall.

Intel Programme

We are honored to receive certificates from ADEK for participating in the Intel Train the Trainer program. Through this course, our educators gained invaluable knowledge and skills, learning about the latest teaching methodologies and incorporating technology in the classroom.

The certificate recognizes their dedication to professional development, enabling them to provide enhanced learning experiences for our students. This course has empowered our teachers to deliver quality education and foster innovation in our school community.

SEF & SDP Workshop

In anticipation of the upcoming ADEK inspection, our Head Teacher, Ms. Agnes took the initiative to organize a highly informative and crucial workshop for our teachers. The workshop centered around two essential documents: the School Development Plan and the Self-Evaluation Framework. These documents hold immense significance in ensuring that all our educators are well-equipped and ready to face the ADEK inspection with confidence.

End Day Party!

PARTY TIME

On the last day of school, it's time to say bye to all of our friends, classmates, and teachers. It's the day to get our shirts signed and to just have that fun! We're all ready to enjoy ourselves for the next few months and then start the school year all over again!

See you in the next academic year,
EIS!
