Newsletter Editorts @ Work... Nishka Sangtani-KG2A and
Yosuf Amged-KG2B

As we approach the end of this second term, I would like to thank all parents for your continued support as we work together as a school community to raise standards that transform our students' lives.

I wanted to take this opportunity to appreciate your ongoing support and commitment to our vision and values which have contributed to being able to achieve the successes that we have had over the past two terms. We have had various incredible events that have taken place this term as a result of the hard work, dedication and resilience of our staff and students. It has been so inspiring to see how the students and teachers have worked hand in hand to achieve the outstanding goals set by the students themselves which have helped shape and mold them into incredible little human beings that they are today.

We are all very excited for the start of a new term as we are committed to achieving excellence in all that we do. This requires dedication, determination, hard work and a restless approach towards achieving the very highest standards. We have a team of staff who all want the very best for our students and with your support we will continue to thrive and improve.

Lets work together as we continue to develop and offer enriching opportunities for all! I hope you all have a restful break and fulfilling Ramadan.

Best Regards,
AGNES NATHANIEL

SPORTS DAY BRILLIANCE 'UNCHALLENGED'

All set for our Sports Day

EIS kindergartners rocked the sports arena dancing to the tune RUM SUM SUM... and Baby Shark... What an exhilarating performance!

Sports day helped children to explore hidden sports interests, build confidence, and inculcate a desire to learn new skills by watching their peers.

SNUGGLE UP & READ

Our tiny tots were extremely excited to snuggle their favourite soft toys and read their bedtime stories with teachers and friends... What a relaxing way to learn and spend quality time together

Stories excite the imagination. Listening to stories stimulates a child's curiosity and imagination endlessly. Fantasy is the key to exploration and creative thinking. The rich imagery in the mind inspires a child to play around with ideas and create experiences without the fear of being judged or criticized.
