farewell

My dearest children and all friends at Excel International school. Let me start by sharing how much I loved being with all of you. Every moment spent in my 20 years with Al Ain Junior group of schools has been a privilege. I will never forget the times we spent in together in this beautiful journey. It has been the highlight of my life and I will miss it very much. However as all good things must come to an end one day , I take your leave and wish you all the best of happiness and health for the times ahead. My best wishes for the success of Excel International School and all its member.

Ms. Valentine George

Dear Ms. Valentine,
