Winter Circle Time!

Thanks to the pleasant winter weather outside, we were able to have our morning circle time activities in the school field, which helped us have a refreshing start to our day.

A New year!

The bright students of EIS returned back to school after a refreshing winter break, where they were presented by an inspiring assembly surrounding the topic of the 'Snowdrop' which was hosted by our Head Teacher Ms. Agnes.

Clay Modeling Competition

On the 12th of January it was time for the students of EIS to unleash their creativity with our very first Clay Modelling Competition. Our students brought their visions to life through the medium of clay. Our wonderful children of Grades 1&2 used their creativity to create their very own Garden Scenes.

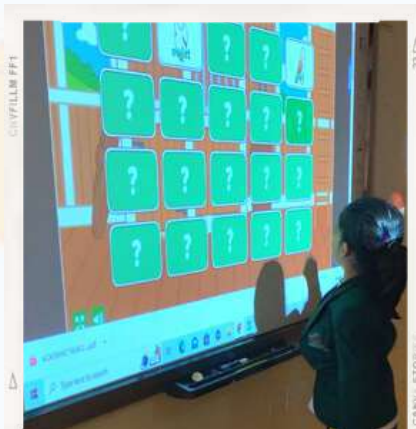

Learning with Grade 1

We love reading together and enhancing our English skills in the Reading Area of the 'Discovery Forest'.

We learned about seeds and the process of germination, by planting real seeds in cotton wool and watching them grow.

We learned to use our classroom smart board by incorporating it into our everyday learning.

With the help of our class teacher, we planted, named and looked after our very own flower saplings. We cant wait to watch grow!

Learning with Grade 2

We learned about the parts of the Palm Tree in our science lessons.

Reading together in the discovery forest helps us improve our English vocabulary and grammar skills.

We learned about the different parts of flowers by exploring them in the Discovery Forest.

We used masks to learn how to role play and become better storytellers in our English lesson.

We learned about how water is absorbed and can travel from one material to another.

On a rainy day, we built paper boats and raced them to see whose could travel the farthest.

We learned the parts of a plant, by observing saplings in the Discovery Forest.

We enjoy reading in our 'Reading Corner' during circle time.

With the help of our class teacher, we planted, named and looked after our very own flower saplings.

SPORTING JANUARY

Boys 100 meter race.

Girls 100 meter race.

Girls pair challenges.

Boys pair challenges.

EAT RIGHT GET ACTIVE MARATHON

As part of our "Eat Right, Get Active" initiative, EIS hosted its very first Marathon on the 21st of January at Wadi Park. The dynamic students, staff and parents of EIS took part in this memorable event.

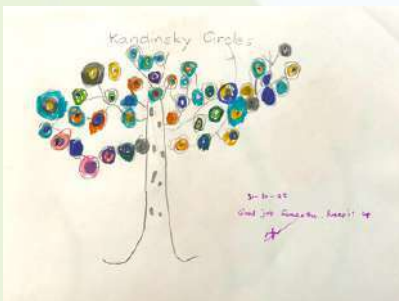

OPEN HOUSE

Our parents got the chance to discuss our progress and accomplishments from the first term with our teachers.

تلخيص قصة منسية بوقتنا

أولئك والدينا

قصة الفيل والذئب

في البداية كان هناك فيل كبير وجدة خبيرة كان الذئب يذبحه ويقول الذئب أنا أصبح ربات لا تذهب معي وبعدها جاءه جدة الفيل وقالت له يا ذئب أنت ليس ربات بل أنت ذئب فابتعد الذئب عن الفيل والخبيرة لم يستطع أن يذبحها فاعتزل الذئب للذئب وقال لها أنت خبيرة

هذا ما بين هذه القصص أن لا تأخذوا بالحب الجريح
