WHAT WE HAVE LEARNED

Discovery Forest Activities

Water Area - To know about materials and their properties.

Construction Area - Intently working on the perimeter of an object.

Roleplay Area - Actors in action enacting a playscript

Roleplay Area - Debating to find a better solution.

Mud Kitchen - Math maze on recalling three-digit addition and subtraction.

Construction Area - To create a pattern and find an area.

Fantastic! Identifying different weather instruments by making wind vane.

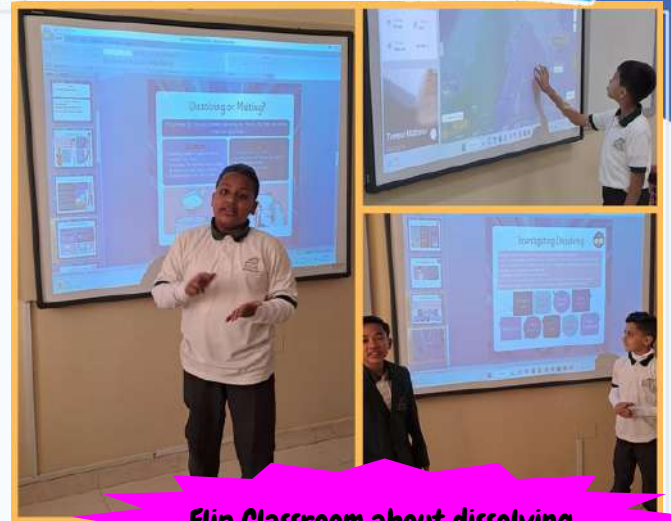

Measuring the length, width and height of an object by using a ruler.

Learn Through Play!

Amazing! Comparing and grouping everyday materials on the basis of their properties.

Flip Classroom about dissolving.

AMAZING WORK

Investigating static electricity.

Look! We were able to design an electric circuit.

Circle time gives children the ability to socialize with, learn more about, and relate to their classmates..

To make a closed circuit using lemon battery.

Curiosity Lab - Investigating different materials to find whether they are insulators or conductors.

Curiosity Lab - Investigating conductors of electricity.

NEW YEAR, NEW BEGINNINGS

The New Year at EIS, was an ideal time for students to reflect on the past and give the best to the future. The day began with a beautiful assembly by our Head Teacher Ms. Agnes Nathaniel on **“Hope and Ability to Overcome Challenges”**, by giving an example of a flower ‘snowdrop’ that symbolizes new beginnings, hope and ability to overcome challenges. Followed by assemblies on ‘Compassion’ & ‘Honesty’ by Grade 4A & 4B students in the same month.

Students set unique new year resolutions, promising to be a better versions of themselves throughout the year.

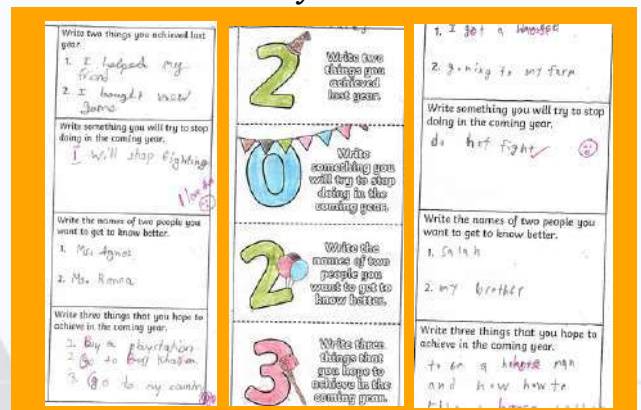

New Beginnings by Ms. Agnes Nathaniel

Grade 4B - Honesty

Grade 4A - Compassion and Empathy

SPORTS AT BLAZE!

ADEK FOOTBALL CUP

While the academic is important, a fit and healthy physique is equally important too. The school recently participated in Interschool ADEK Football Cup Competition. For the first time students of Grade 3 & 4 participated in this big event; they learnt the very important life skill that everybody should have- being able to coordinate and cooperate with one another.

Marathon for kids and parents on **21st January 2023** was more than just a running program. In support with the Department of Health Program- **Eat Right & Get Active**, parents of EIS were invited on Sunday to be part of this program. Through this initiative, all were encouraged to improve the health of by motivating and supporting to live happier and healthier lifestyles.
