Nourishing Minds, Building Hope: Our School Embraces World Food Day

Our school recently celebrated World Food Day with great enthusiasm and raised awareness on the importance of food security and sustainable practices. Through engaging activities like interactive discussions, food drives, and cooking demonstrations, students and staff actively participated in promoting nutrition, healthy eating habits, and addressing the global issue of hunger. By encouraging students to contribute to food collections and donations for local food banks and charities, the event fostered a sense of compassion, unity, and responsibility within our school community towards creating a hunger-free world.

Sustainable bites for a brighter future!

Assemblies

BASIC FIRST AID

Our school nurse has given a presentation in assembly about how the students should respond to performing basic first aid in such emergency situations.

RESPECT

Jonathan's response emphasizes the importance of showing respect to teachers and fellow students

World Teachers' Day

"Teacher appreciation makes the world of education go around."

- Helen Peters

Teachers' Day was an incredible celebration at our school, filled with enthusiasm and heartfelt appreciation. The students orchestrated a special assembly dedicated to honoring our beloved teachers. We poured our creativity into making heartwarming cards, crafting handmade gifts, and penning poetry to convey our gratitude for their unwavering dedication and tireless efforts. To add a touch of delight, we showcased a captivating song and dance performance, which brought smiles to their faces. It was an unforgettable day, brimming with love, respect, and profound admiration for our extraordinary teachers.

Embark on a learning adventure this Columbus Day!

Our Grade 1 and 2 students delved into the fascinating world of exploration, discovering the remarkable journey of Christopher Columbus. With exciting activities like arts and crafts, storytelling, and a special assembly, our young learners had a blast while gaining a deeper understanding of history and the adventurous spirit. It was a day filled with memorable moments, fostering a sense of curiosity and unity throughout our school community.

Students' Well-being

FIRE DRILL: STAY PREPARED FOR UNFORESEEN EMERGENCIES!

Our school successfully conducted a fire drill, ensuring the safety of all students and staff. Students calmly followed evacuation procedures, showcasing their commitment to safety and cooperation.

Student Led Conference

The success of our recent Student-Led Conference program for primary students was a unique initiative that allowed our young learners to take the lead as they showcased their academic progress and personal growth to their parents and teachers. Through thoughtful presentations, students demonstrated their learning journey and shared their goals. It was an empowering experience that fostered confidence, communication skills, and a sense of ownership in their education. We commend our students for their exceptional efforts!

Building a stronger community

The recent Parent-Teacher Association (PTA) meeting held at our school was well-attended by dedicated members. We had fruitful discussions on upcoming events, and ways to enhance parent involvement. It was a collaborative session, where members shared valuable insights and suggestions to support our school community.

Spelling Workshop for parents

At EIS, English teachers organized an online spelling workshop for parents, providing indispensable guidance and support. The objective was to empower parents in assisting their children's spelling skills at home. The workshop included interactive activities and practical strategies, enabling parents to establish a conducive learning atmosphere. Through collaboration, this workshop strengthened the bond between teachers, parents, and students, all working together to enhance spelling proficiency.

Educational Visit

Step back in time with us as our students embarked on a captivating visit to the cultural heritage sites in Al Ain. From majestic forts to bustling traditional markets, our students had the privilege of immersing themselves in the vibrant history of this remarkable city. They explored ancient artifacts, listened to captivating stories, and even had hands-on experiences with traditional crafts. This enriching excursion not only broadened their understanding of our cultural heritage but also fostered a deep sense of pride and appreciation for the traditions that shape our identity.

Staff Well-Being

MEDICAL ALERTS AWARENESS

Ms. Elakkiya, our school nurse, gave a session on how the staff should be informed about medical vigilance. Differentiating between asthma attacks, seizures, and other medical conditions.

FIRE EXTINGUISHER APPLICATION

A fire extinguisher demonstration was given by OHS Officer Mr. Laiq Ahmed. We had the opportunity to try with our Grade 2 teacher, Ms. Reshma, and our Urdu teacher, Mr. Zahid.

EMBRACE PINK, UNITE FOR A CURE

During Breast Cancer Awareness Month, our school came together to show support and solidarity. Pink ribbons were proudly worn, and the school was adorned with pink decorations to emphasize the importance of early detection and understanding. This united effort created awareness and inspired hope, reminding us that together, we can make a significant impact in the fight against breast cancer.

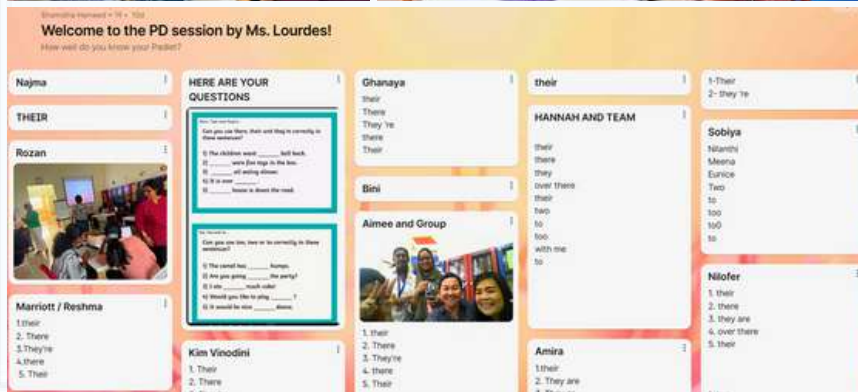

Professional Development Sessions

BUILDING A CULTURE OF ASSESSMENT: AFL STRATEGIES FOR ENGAGED LEARNING!

Our Assistant Head Teacher recently conducted an engaging and informative workshop on AFL (Assessment for Learning) strategies for our teachers. The workshop aimed to enhance teachers' understanding and implementation of effective assessment practices in the classroom. Teachers gained valuable insights into using AFL strategies to support student progress and promote a culture of continuous improvement.

IMPORTANCE OF DIFFERENTIATION IN CLASSROOM WORKSHOP

EIS teachers recently attended a workshop led by a renowned Cambridge consultant, emphasizing differentiation in lessons. Valuable insights were gained on tailoring instruction to meet each student's unique needs. Strategies and techniques were explored to create inclusive and engaging learning environments. Educators actively joined discussions, sharing best practices and deepening their understanding of effective differentiation implementation.
