EXCITEMENT IN THE AIR: FIRST-DAY WONDERS

The first day of school was filled with excitement as students reunited after a refreshing break. Smiles, new friendships, and a sense of adventure filled the air as we embarked on another promising academic journey.

SCHOOL ASSEMBLIES

Welcoming Change: Where Open Gates Lead the Way

• Our Head Teacher's recent assembly program, themed 'Open Gates,' was an inspirational journey toward embracing opportunities. With heartfelt anecdotes and motivating insights, students were encouraged to welcome new horizons and unlock their full potential

Accumulate Positivity: Ignite Academic Success

Ms. Reena's enlightening assembly on the 'Theory of Accumulation' brilliantly conveyed the importance of accumulating positivity for a successful academic year. Students were encouraged to gather knowledge, determination, and resilience, setting the tone for a year filled with growth and achievement

Abu Dhabi Police Visit

In a heartwarming gesture, police officers from Abu Dhabi paid a visit to our school, spreading joy and excitement as they handed out gifts to students for the back-to-school season. The officers not only brought smiles to the faces of our young learners but also reinforced the positive relationship between law enforcement and the community. Their thoughtful act of kindness will be cherished by the students as a memorable start to the academic year.

PRINCIPAL'S MESSAGE

Dear students and parents,

What a wonderful opportunity for me to work and interact with students and staff here in Excel International School (EIS)! It is an exciting place for our students to learn and for our staff to develop our students to be ready for life. It is our priority to nurture our young people to be achievers of extraordinary determination, who set the right goals in areas of education, morality, attitude, ethics, and value.

I would like to use this opportunity to thank and congratulate Ms. Agnes, our senior leaders, middle leaders, teachers, admin staff, and other staff for their dedication and professionalism to make and keep EIS a quality, safe, and exciting place of discovery and learning.

It is a pleasure to walk around the neatly kept campus with state-of-the-art facilities and vibrant students and staff who are the heart of EIS. We are all looking forward to the new additions to our campus that are now in the final stages of approvals from all the relevant authorities. These new additions will allow our school to grow to around 650 students that will allow the school to maintain the many benefits of a smaller school environment that is very difficult for larger schools to achieve..

Congratulations to all the students who campaigned to join the EIS student leadership team this academic year. All these students represented their families with dignity and confidence, and we are extremely proud of all of them. To those who have been elected for this year's student council, well done! You now hold the responsibility to demonstrate your leadership qualities in a very practical manner on the school campus and outside the school terrain as a representative of the proud EIS community. It was a proud moment for us to observe our Grade 8 ambassadors in action at the Al Ain Get Together Event in the Ayla Hotel last week where they represented EIS with confidence and grace.

The first meetings have been conducted with representatives of the international exam boards (e.g., Cambridge and Edexcel) we are considering affiliating with for the IGCSE exams. We will keep you posted on the final decisions with regards to this important matter to serve our students with excellence and ensure our students' optimal success academically and otherwise.

Enjoy the upcoming mid-term break for our students when our staff will be involved in continuous development programs and other activities to further upgrade our academic staff's skills to serve our students in the best manner possible.

--- Mr.. Leonard Murphy, Principal

WEEK

BUILDING BONDS, CREATING MEMORIES

WEEK

BUILDING BONDS, CREATING MEMORIES

WOW!

 Our eagerly anticipated 'Week of Welcome' at school was a tremendous success. Filled with warm greetings, engaging activities, and a sense of belonging, it set the stage for a fantastic academic year. Students and staff came together, forging new friendships and strengthening existing bonds, creating a vibrant and inclusive school community

SCHOOL CLUBS

A CELEBRATION OF LITERARY BRILLIANCE

Our primary school's vibrant literary fest transported students into a world of imagination and storytelling. From captivating author visits to lively poetry performances, the event immersed our young learners in the wonders of literature. With engaging activities like book swaps and creative writing workshops, the fest ignited their love for reading and fostered a lifelong appreciation for the written word.

Outstanding

EMPOWERING TEACHERS, ENRICHING EDUCATION!

As the school year approached, our leaders orchestrated an enriching Professional Development (PD) session. This collaborative experience brought our dedicated educators together to explore innovative teaching methods, exchange valuable insights, and align our educational goals. With renewed enthusiasm and a shared vision, our staff is fully prepared to provide a rewarding learning experience for our students in the upcoming academic year.

CONNECTING PARENTS, SHAPING FUTURES:

OUR ORIENTATION EVENING

Our recent Parent Orientation and Curriculum Evening marked a significant success. Families gathered for a comprehensive introduction to our school's educational vision and curriculum. This informative evening fostered connections between parents and teachers, allowing them to meet our dedicated staff, explore classroom activities, and lay the foundation for a productive school year ahead. It was a valuable opportunity to strengthen the partnership between home and school in shaping our students' educational journey.
