Rolling into the World of Negative number, where Board Games and Math Collide!

Unveiling the Spark: A Journey into Everyday Objects and the Magic of Static Electricity

Play!
Learn
and
Grow...
Together!

Powering up our learning experience, we, the young engineers, witness the refreshing breeze of knowledge as we operate a DC fan in our very own circuit creation.

“Tell me and I will forget; show me and I may not remember; involve me and I will understand.”

**LEARN
AS YOU
GROW**

We're diving into the fun of crafting sentences with engaging adverbial phrases 2.

Setting new goals is an essential aspect of fostering our growth and development. Have a look at our Academic Goals.

Our creative way to understand wind direction and speed.

Mapping our world, one local adventure at a time, exploring familiar territory through the lens of creativity.

During our circle time, students actively participated in the listening skills activity, sharing ideas, and responding positively to their peers. Activities like these promote attentiveness and cultivate respect towards others.

Exploring the World of Simple Machines: Students of Grade 4 were not merely spectators but active participants, deeply engaged and genuinely interested in the experiential learning process.

Embraced in the joy of the New Year with a touch of DIY magic, students handcrafted beautiful wreath bows, adding a personalised and festive flair to welcome 2024.

BYOD: Multiples Madness! Our online math booklet activity was a blast, and we had so much fun learning together.

We delved into the world of literature with our Reading Comprehension Quiz Game – an event where we tested our knowledge and had a great time!

Exploring the World of Negative Numbers through Technology: A Modern Approach to Learning

EXPLORING HERITAGE: GRADE 3 AND 4 VISIT QASR MUWAIJI IN AL AIN

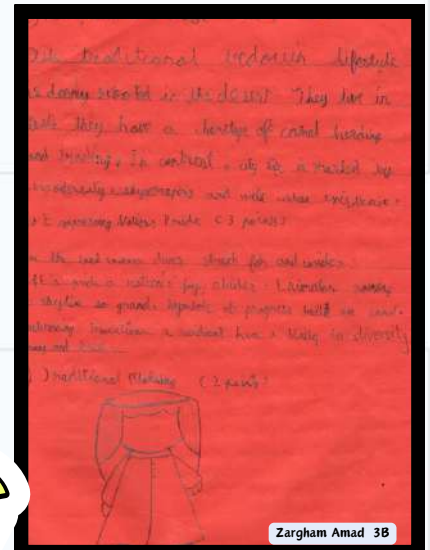

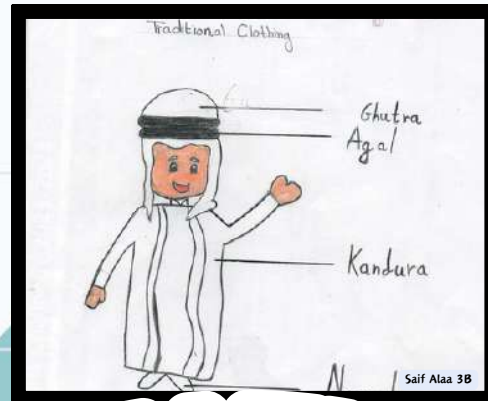

The young scholars of Grades 3 and 4 embarked on an enriching journey to Qasr Muwajji in Al Ain, immersing themselves in the rich heritage of the region. This educational excursion provided a hands-on experience, allowing students to delve into the historical significance of the site and gain valuable insights into the cultural tapestry of the UAE.

"UAE National Identity: Bridging Tradition and Progress, Uniting Diversity in Harmony 52 Points Challenge"

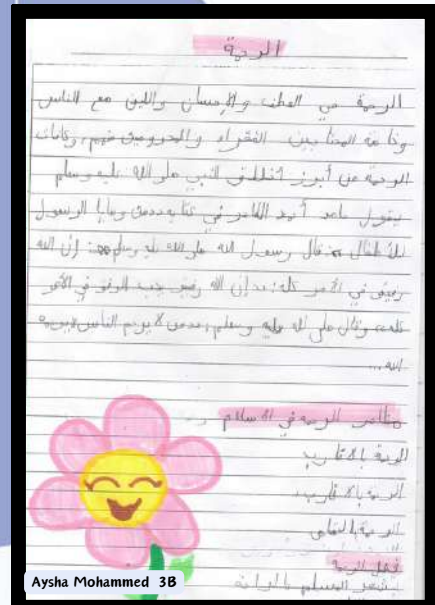

In the heart of the desert, a modern oasis rises. The UAE is a testament to the power of vision and determination.
52 Points Challenge 2023-2024
 Celebrating 44th UAE

GRADE 3				
History and Heritage Do you know about the traditional Bedouin lifestyle in the UAE? How is it different from life in the city? 5 POINTS	Cultural Exchange Video call your friend who belongs to another country, a different cultural background within the UAE. Traditional sports in the UAE

Since the early years of UAE, sports has been a main thing for people there are many but here are 3 examples:

Archery has existed in the UAE since 2000 years ago. It is known for the buffalo, because in medieval times it was the source of food.

Camel racing is also popular among people. Dating back to hundreds of years ago, it makes use of the natural power of the legs of the camel.

One of UAE's oldest traditional sports is falconry, which goes back to the times of nomadic Bedouins and is a sport between the desert and the sky.

Zoey Candace #A

H.H. Sheikh Abdullah bin Zayed Al Nahyan

He represents the UAE at Arab and international conferences and meetings. He launched important international forums like Sir Bani Yase Forum and Global Forum on Relationships between the Arab World, Latin America and the Caribbean.

ARCHAEOLOGICAL HERITAGE

Archaeologists have unearthed numerous artifacts, including the remains of a Christian church and monastery from the 6th century AD, and the tomb of a ruler from the 10th century AD. In addition, a well-preserved building from the Bronze Age (2000-1200 BCE) was recently discovered in the island, Sir Bani Yase. The discovery of these artifacts and structures is a testament to the rich cultural heritage of the UAE. The discovery of these artifacts and structures is a testament to the rich cultural heritage of the UAE.

Dana Alsalehi #A

I LOVE UAE

One of UAE most popular sport is Camel Racing its a traditional Arabic sport that is a part of native lives for thousands of years.

Falconry is a more than 2000 years old traditional sport in most Arabic countries including the UAE, and important part of Arab heritage and a traditional sport in the UAE.

Noran Ahmed #B

Traditional Sports of UAE

UAE being a dry land, sports in UAE are related to camels.

Falconry - In UAE, falconry is a traditional form of hunt.

Camel Racing - In the past, it was used to be much longer, but they are not so, it is a packed arena properly.

Goat Racing - The small price of the goat, it is a traditional sport.

Ishaq Ahmed #B

"Rooted in heritage, reaching for the future – the UAE's national identity is a bridge between the past and the promise of tomorrow."

موضوع تعبير

في يوم من الأيام، وحينما ذهبت أنا و أختي لزيارة عمارة لزيارة حديقة الحيوانات الترفيهية.

ركبتنا السيارة والجميع متحمس لزيارة هذا المكان، في المرة الأولى التي نزرور فيها هذا المكان، شاهدنا الكثير من الحيوانات المزرعية مثل البقرة، السمكة والأرانب، ورأيت أيضاً بعضاً صغيراً.

كنت محظوظة لأنني ألتقيت الأرنبة ومملحة السلمية والماعز وركبت الحصان.

كانت تجربة ممتعة جداً.

Omar Eid #A

العمل التطوعي

المعمل التطوعي

هو عمل الخيري، الذي يقوم به الأفراد أو الجماعات، بهدف مساعدة الآخرين، وتحسين حياتهم، دون انتظار مقابل مادية.

تعتبر الأعمال التطوعية من أهم الوسائل التي تساهم في تنمية المجتمع، وتحسين نوعية الحياة، وتعزيز قيم التعاون، والتضامن، والاحترام، والعدل، والشفقة، وغيرها من القيم النبيلة.

من أهم مميزات العمل التطوعي، أنه يساهم في تنمية مهارات الأفراد، وتحسين قدراتهم، وتعزيز روح المسؤولية، والالتزام، والعمل الجماعي.

كما يساهم العمل التطوعي في تعزيز الشعور بالانتماء، والولاء، والحب، والالتفاف، والتضامن، بين أفراد المجتمع، مما يساهم في تحقيق التنمية المستدامة، وبناء مجتمع أفضل.

THE GOOD WORK

BE Kind

Zech Samuel 3B

(Historical Inventions)

A loom is a device used to weave cloth and tapestry. The basic purpose of any loom is to hold the warp threads under tension to facilitate the interweaving.

"Al'sadi" is a traditional form of weaving practiced by Bedouin women in rural communities of the United Arab Emirates. Produce soft furnishings and decorative accessories for camels and horses.

This work is amazing. Glad to see the tradition.
